Secretary General's Report

33rd EC Meeting-cum-35th AGM held on 19.09.2024 at "The Orchard", Jharsuguda

Jai Jagannath

A warm welcome to all the members in the **33rd EC Meeting-cum-35th AGM**. A big thank you for all the members turning up in such large numbers from across the state and also to our Lifetime Chairman for sparing his valuable time and travelling all the way to attend this meeting.

HRAO was started in the year 1984 with 5-7 members coming together to fight for the survival of hotels in Odisha and today HRAO is a 300 + strong members association under the dynamic leadership of Dr. J.K. Mohanty. Out of these 300 members, the so called big hotels contribute hardly 5 – 7% of the members rest all members are small and medium size hotels. If HRAO would not be looking after the interest of small hoteliers then our association would not have grown this extent.

HRAO is the voice of the Hospitality Industry and has been working always for the improvement of tourist footfall both from within the country and international tourists in the state of Odisha. It is our Lifetime Chairman's vision to put Odisha as a number of sought after destination for tourists across the globe and HRAO is committed to work in this direction with the Tourism Department and other Government Officials.

A meeting was held on 30.05.2023 under the Chairmanship of Hon'ble Chief Secretary and also present were Addl. Chief Secretary & Secretary Tourism, Finance Secretary, Industries Secretary, MSME Secretary & Director Tourism along with Senior Govt. Officials, the Tourism Policy was discussed in details and HRAO gave its presentation on the short coming in the policy. Also the point was raised as to no subsidy provision has been made for small hotels and hotels below 3 Star category. Also the Fire NOC issue was discussed and the Chief Secretary responded to it that very shortly a new Amnesty Scheme for Fire will be presented by the Govt., and the best practices from all States are being considered to formulate the new Amnesty Policy. With the coming up a new Govt., we will have to start our work from scratch and we held a meeting with Hon'ble Dy. Chief Minister and Minister Tourism, Smt. Pravati Parida and a presentation on behalf of HRAO was given to her on the problems being faced by the Hospitality Sector and steps required for boosting tourism in the state. Meeting with new Secretary Tourism & Director Tourism has also been held and a presentation to them also will be given by HRAO.

Amnesty Scheme for building regularization was issued by the previous Govt., which was not so successful and we shall demand the new Govt., to formulate a

new Amnesty Scheme to keeping in view the specific needs of the Hospitality industry. Region wise Associations are also requested to send letters to concerned Ministry & Tourism Minister requesting for the same.

HRAO set up a various committees to solve any issues raised by members and these committees are functioning in the situation as & when required. The minutes of the meetings held by these committees have been circulated to all members.

Electricity matter has been raised by our member for the issues being faced by them a committee met a Consultant & discussed the matter in details and subsequently the association ask all members to share the Electricity Bills for the consultant to study and take the matter further. But unfortunately except a few hotels from Bhubaneswar & Cuttack no other members were shared the details or responded the same. The association runs with all its members, if the members don't support the association then the association will be ineffective and will not be able to deliver any result. We therefore request members to participate and respond to queries raised from time to time.

HRAO is doing a lot of work on the Excise Policy front. We are sending our recommendation for the policy being formulated every year and lot of our suggestions are incorporated in the policy. Waiver of MGQ for Hotel On license holders and Waiver of license fees during Covid period. Some of our achievements on the Excise front.

The Covid Panemic effected the Hospitality sector a very big way and during this time also our leader Dr. J.K. Mohanty continuously wrote letters to the Govt., demanding for relaxations for hospitality industry also held Zoom meetings with Govt. Officials to apprise them of our situations.

Ground Water was another issue raised by member and HRAO met the concerned Officials and advice the members of the steps to be taken in this regard. The package drinking water issue faced by the hoteliers who were not our members and hence HRAO could not take up the matter but his ready to extend all help required and legal advice in the matter.

HRAO shares its Balance Sheet every year with all members which contains the details Income & Expenditure and it is audited by a Chartered Accountant. Members are also given an opportunity to raise any query on the same and the Balance Sheet is approved during the AGM also. If any members has any query with regard any expenditure he can give the same in writing & the same will be addressed to his satisfaction within the time period given for raising the query.

Letter was written by our Lifetime Chairman to our parent body FHRAI, New Delhi with regards to giving direct affiliation to hoteliers of Odisha. As a the matter was subjudice at that time, not action could be taken. Now with the new

body present, a letter once again has been written by our Chairman, a copy of which is enclosed for reference of all members. (Letter attached)

Sri Pradeep Shetty
President
FHRAI

Sub : Direct Membership to FHRAI

Dear Sir,

This is with reference to the letter written by our Chairman on 24.08.2021 regarding allowing hoteliers from the state of Odisha to become members of FHRAI directly and not through HRAEI, Kolkata.

We would once again like to bring to your notice that individual state associations are capable of handling their own problems and do not need any intervention by Regional Chapters which have no say in state matters.

Also Regional Chapters like ; HRAEI, Kolkata is collecting Membership Fees from members of different states but the entire amount is spent on matters related to their state only. Why should other state fund for benefits to be enjoyed by Hoteliers of West Bengal. In last 15 years, HRAEI, Kolkata has not supported us in any problems or to help solve the problems of the hospitality sector in the state. Apart from helping to solve till date they do not bother to even find out what our problems are. Even letter written Regional Associations are not responded back by them. Hence, we would once again request you to kindly allow hoteliers from Odisha who are members of HRAO to become members of FHRAI, New Delhi directly.

Thanking you & looking forward to your positive reply in this regard.

With regards,
